This will be the seventeenth year that Seaford Rotary has supported some new Year 7 students at Seaford Head School by sitting with them to help with reading and maths. Recently the number has dwindled, and it would be nice if we could manage to reach 10, or even 15. And volunteering is not limited to members as volunteers and friends are equally welcome.

This school year it will be on a Monday morning arriving at Steyne Road site at about 8.30 am, being with the student (normally the same one each week) from about 8.40 am until about 9.05am. This is for term time only. The school will organise DBS approved which is at no cost to us. If anyone wants to have a chat or ask questions, please email me, Jim Anderson (jha@sky.com) about reading or Paul Vaesen (paul@seafordrotary.org.uk) about maths.
